PASRR Level I and LT101 Web Portal Delay

Please share this bulletin with the following staff:

- Office Manager
- EqualityCare Biller
- Other

In June, you received a bulletin regarding two enhancements coming to the EqualityCare Web portal: PASRR Level I Entry and LT101 Inquiry. The bulletin stated both enhancements would be implemented by August 1st. However, due to the complexity of the changes, implementation is being delayed until September 14th.

Registering to Use the EqualityCare Web Portal

Registration will be required to use the PASRR Level I Entry and LT101 Inquiry enhancements. If your organization has still not registered to use the EqualityCare Web portal, please download and complete the EqualityCare EDI Application and Trading Partner Agreement. Both forms can be found at:

Once your completed application is received and processed, you will receive a welcome letter with your unique user ID and Web portal registration instructions. You may also access these instructions via the EqualityCare website wyequalitycare.acs-inc.com under "Web Portal Tutorials" link.

Additional information regarding these enhancements will be mailed prior to the September 14th implementation date.
